The better quality of your picture, the better your cover will be. ( 8 meg. camera or higher )

Trunk,back glass , roof

hood,front glass, roof

This is a hard one to take. We need as straight on picture of the top,as possible.. **safely!**

(a ladder would help )

If you have any questions,call and ask.

**Tips: Watch for reflections showing up on your vehicle.**

or

put in a reflection you want.
